YOUTH
SPORT
TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£10,156
Total amount allocated for 2020/21	£16,310
How much (if any) do you intend to carry over from this total fund into 2021/22?	£0
Total amount allocated for 2021/22	£16,500
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£16,500

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	100%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	100%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	75%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated:		Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					15%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	
All pupils in the school should have access to regular physical activity with quality resources and knowledgeable staff	Resources, Primary PE passport licence, KidSafe training, inspection of PE equipment		£4,079	Kidsafe questionnaires show retained knowledge Weekly inspection checks of PE equipment by PE co-ordinator ensuring quality resources relating to inspection reports Timetabling and subject drop-ins by co-ordinator to ensure curriculum is being delivered as specified KS2 now receiving daily PE sessions to combat effects of Covid	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation:
					57%
Intent	Implementation		Impact

Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
All pupils in the school should have regular access to quality equipment and space for personal and physical development	Junior field improvement Playground regeneration including: Football/netball line painting Football/netball post structures Exercise bikes/waist twisters	£15,027	Student questionnaires – positive feedback. Children can see forward movement in development Use of outdoor space more regularly in curriculum delivery	Development is ongoing – additional resources to be put in place as planned

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				13%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
All staff should have access to professional guidance and input on their skills and teaching methods	Use of sports' coach for specific sports as planned by PE coordinator, linked to upcoming competitions and current areas of weakness in school staff.	£3,330	Staff questionnaires show positive impact on teaching methods and knowledge gained	Ongoing use of sports' coach
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				14%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

consolidate through practice:				
All students should have access to a broader range of sports through stated activities, building each year to allow progression in these areas.	<ul style="list-style-type: none"> • Sports' week (canoeing, rock climbing, ghyll scrambling, high rope) • Circusology delivered in school • Forest School participation 	£3,789	Pupil feedback 100% positive and some can explain their skill development Forest School has been developed to include curriculum topics to allow contextual application of skills	Ongoing participation Wheelchair basketball to be included after Covid restrictions delayed this

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				1%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
All students should have access to participate. in inter-school events.	Hire of coaches to allow access to competitions at alternative locations for sporting events	£241	All students able to participate in at least 1 event, regardless of ability More students volunteering for events	Ongoing Researching possibility of primary schools in MAT joining up for events
