

# Arlecdon Primary School Sports Premium Funding 2022 – 2023

## **Why do we receive Sports Premium Funding?**

At Arlecdon Primary we understand that through sport and PE, pupils not only develop their physical capabilities but also discipline, teamwork, communication, determination and ambition and these skills are invaluable. We work to offer pupils the opportunity to experience a variety of sports and opportunities for pupils to become physically confident and support and develop their health and fitness, as a school we develop the skills in line with the National Curriculum, but we also go beyond this. We provide pupils with opportunities through P.E. lessons, festivals, competitions and a wide range of clubs. We reinforce positive values such as fairness, encouragement of others and respect.

We pride ourselves on the fact that we broaden pupils' horizons by providing them with opportunities to experience and participate in sports they may not have previously experienced, with visitors, and through trips and residential. The breadth of subjects covered this year include football, cricket, dance, Bollywood dancing, gymnastics, yoga, multi-skills, rounders, running, and athletics and dance. All our children from Reception to Year 6 have participated in swimming lessons this year.

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation and is central to meeting the government's ambitions for a world-class education system. Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The government say that the sports premium funding in schools should be used to secure improvements in the following 5 indicators:

- Engagement of all pupils in regular physical activity.

- Profile of PE and sport is raised across the school as a tool for whole-school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

A snapshot of our successes this year:

All Pupils from Reception to Year 6 had swimming lessons

All KS2 pupils completed a life- saving session in the pool as well as a water safety lesson in the classroom.

All KS2 pupils have competed in at least one intra school event this year.

We competed in the County Gymnastics final

83% of our pupils are at expected level too.

Playleaders have been very committed throughout the year, engaging lots of pupils during lunchtimes. I feel our most successful group to date.

Participation in active after school clubs remains high.

Please see summary information below:

Number of pupils on roll	46
Total amount allocated for 2022/23	£16630
Total amount carried forward from 2021/22	£0
How much (if any) do you intend to carry over from this total fund into 2023/24?	£0
Total amount allocated for 2022/23	£ Funding made up of £16,000 per school and £10 per pupil.
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023	£16630

Indicator	Project	Funding/cost	Aims	Participation data	Impact
